

Department of Systems and Industrial Engineering
M.S. Plan of Study Worksheet

Notes to student:

- *Before you start, please check the degree requirements:*
<https://sie.engineering.arizona.edu/grad-programs/degrees>
- *For better course planning, please check “Course Advising for MS degrees (PDF)”*
<https://sie.engineering.arizona.edu/grad-programs/advising>
- *The formal Plan of Study should be submitted UAccess Student Center:*
<https://uaccess.arizona.edu>
Please submit at the end of your second semester.
- *You will need a faculty advisor before submitting your Plan of Study, and changes can be made to Plan of Study in future semesters.*

Your Name	<input type="checkbox"/> On-Campus student <input type="checkbox"/> Online/distance student
MS Program Entry Semester	<input type="checkbox"/> Fall 201_ <input type="checkbox"/> Spring 201_ <input type="checkbox"/> Summer 201_
Expected Graduate Semester	<input type="checkbox"/> Fall 201_ <input type="checkbox"/> Spring 201_ <input type="checkbox"/> Summer 201_ <input type="checkbox"/> Not Decided Yet
MS Program Major	<input type="checkbox"/> Industrial Engineering <input type="checkbox"/> Systems Engineering <input type="checkbox"/> Engineering Management
Degree Option	<input type="checkbox"/> Coursework <input type="checkbox"/> Thesis <input type="checkbox"/> Project <input type="checkbox"/> Not Decided Yet
Focus Area (Area of your interest)	<input type="checkbox"/> Data Analytics and Informatics <input type="checkbox"/> Healthcare Systems <input type="checkbox"/> Management Science and Engineering <input type="checkbox"/> Manufacturing and Production Systems <input type="checkbox"/> Modeling and Simulation <input type="checkbox"/> Optimization <input type="checkbox"/> Quality and Reliability Engineering <input type="checkbox"/> Space, Defense, and Security <input type="checkbox"/> Transportation/Logistics/Supply Chain Management (TLS) <input type="checkbox"/> User Experience (Human Factors) <input type="checkbox"/> Not Sure
Faculty Advisor	Name: _____ <input type="checkbox"/> Not Decided Yet. <i>The SIE graduate committee will assign a temporary advisor for you following the focus area you identified.</i>

Courses Planned	Course Number and Title	Semester and Year
	1.	
	2.	
	3.	
	4.	
	5.	
	7.	
	8.	
	9.	
	10.	
	11.	

Some polices you should note when you prepare your plan of study:

- *Credit for SIE 500A, SIE 500B, SIE 500C, SIE 695A, SIE 900, SIE 920, and SIE 930 may not be counted toward the MS degree.*
- *Per your faculty advisor's approval, 2 courses (6 credits) may be taken outside of SIE.*
- *If you have taken the undergraduate version of any courses for your BS degree, you CANNOT take them again for credit on your MS degree.*
